4-Nakatomi has found himself an easy spot after his last appearance in the Breeders' Cup Sprint on 2 November. Working very well at Payson for 6-year old return. I've always been partial to these one word horses; we've all got these prejudices, whether we want to admit it or not. This and alliteration was the criteria I used when beginning my handicapping career back in the 2nd grade. Horses whose names rolled off the tongue seem to run faster than others, wouldn't you say? If you are playing phoo phoo wagers, you've got a free space on your bingo card bitches. I love all you mother fuckers out there, so stay thirsty my friends, and send it in. **4-Nakatomi** is the ***"Worst Mother-Fuckin' Bet of the Day."***

Win, place and show, is all you gotta know.
