**5-Cha Cha Chukka** has not done the *Cha Cha* since 12 February 2025 at the \$25,000 level. Descends once again to \$7,500 after being claimed on 12 December for \$15,000, where she lost as the favorite. If she does not win here, she will be running at *Alpo Downs*. I have absolutely no confidence in this animal, and had to try and post something on *Terrible Tuesday*, so proceed accordingly. Don't send hate mail if you don't make a bukka on *Chukka*. Let the buyer beware. **5-Cha Cha Chukka** is the ***“Worst Mother-Fuckin’ Bet of the Day.”***

**Win, place and show, is all you gotta know.**
