2-Sully threw the owners a bone finally breaking his maiden at the \$30,000 claiming level on 22 February. It must be painful after what they purportedly paid for this animal. Offered for \$20,000 today, and I'm going to play the old exacta here with 9-Il Cavallino, who has every chance to best the top number. **2-Sully** gets the advantage of the far outside post off the chute, and may try for the wire job as he did in last. It's a rich man's game *fer sher* dude. Can't remember the last time I left Keeneland without making a profit, the place has class, real class, beautiful horses, beautiful women, beautiful grass, beautiful fences and beautiful weather. This place just might be Heaven. **2-Sully** is the "***Worst Mother-Fuckin' Bet of the Day.***"

Win, place and show, is all you gotta know.
