3-Mondego was understandably bested by the morning line favorite, 4-Genius Jimmy, in his return on 8 June at the *Great Race Place*, and with the anticipated imminent improvement today, will turn the mother-fucking tables on him. Has not won in more than 2 mother-fucking years, and the fickle mother-fucking public will not offer much *gusto* in this situation. Shall we say he is “due.” A close look at that 8 June race is a text book example of a 9-furlong workout, finishing only 3 lengths off 4-Genius Jimmy.

Comprende? Go get the dinero amigo. **3-Mondego** is the ***“Worst Mother-Fuckin’ Bet of the Day.”***

Win, place and show, is all you gotta know.
