7-Lady Maryann will improve dramatically today after taking the summer off and returning on 7 August. Not offered for sale here, which is a very good sign. Don't be a *Lady*, step up to the \$100 window, grab a stack of Bennies and make yourself a big score; or not. Only real men make big moves, and at 12-1 you can be wrong quite a bit and still make a big profit. One of my nephews bets like a scared rabbit, what I call *betting to lose*, always planning on losing, and trying to limit his losses. This is a sure-fire method to lose. This type of mindset gloms on to the favorite, and will bet big on a 4/5, but bets a deuce if a horse is 10-1 or better. All those people can't be wrong, I better not bet too much! Send it in you dickwad!!!!!! *Show me a good loser, and I'll show you a loser* (Vince Lombardi). **7-Lady Maryann** is the ***"Worst Mother-Fuckin' Bet of the Day."***

Win, place and show, is all you gotta know.
