**4-Gloriette** will exhibit her sub-45 speed, as will many of these fillies and mares, making the jockey so much more important. We get Jose Ortiz, which makes me happy as a pig in shit. She was quite a claim back on 23 January for \$35,000, her first start of the year at Oaklawn Park, going on to win \$159,262 this year to date. Being a *what have you done for me lately* kind of guy, I rarely speak of the past, only looking forward, but how'd ya like that cold \$114 exacta yesterday? **4-Gloriette** is quite a good bet; she is the ***“Worst Mother-Fuckin’ Bet of the Day.”***

**Win, place and show, is all you gotta know.**
