9-Aspenite broke my fucking heart on 10 September at mother fucking Kentucky Downs, and once again gets TTT's top E.Q.U.I.N.E. Rating. The track was off yesterday, and I do not think he will go should that be the case this afternoon. If he scratches, I can assure you, he will not win. If it stays on the turf, and he does not chicken out, get your **9-Aspenite** down to your local betting parlor, or fire up the computer and send it in across the board. **9-Aspenite** is the ***“Worst Mother-Fuckin’ Bet of the Day.”***

Win, place and show, is all you gotta know.
