**12-In Spite of It** looks like she is racing into shape, having been away from June to September. The drop to \$7,500 put her within 3 lengths of the winner in her 2<sup>nd</sup> back on 21 November, and another improvement is imminent. Gets the good outside post off the chute at 6.5 furlongs at the Big Z, and we will be doing our favorite past time, board watching, when it gets close to post time. If you can see the light, bet on *Spite*. **12-In Spite of It** is the ***“Worst Mother-Fuckin’ Bet of the Day.”***

**Win, place and show, is all you gotta know.**
