4-Streetcorner, I've hung out on a few of 'em; flipping baseball cards, pitching nickels, playing craps, beating up fags; oh, those were the days. Well, all that is behind me now, except for beating up fags; some things never change. Imagine that, after all that wonderful fun to then become a Pari-mutuel Investment Analyst, the greatest profession in the world, where you can advise all kinds of persons; hobos, whores, kings and presidents; anybody who is eager to plop their money down and gain something

for nothing. There is no chance this grandson of Street Sense will get arrested for vagrancy, as he is one quick sumbish comparatively, and will be on the move. You will get a last race price boost on people trying to get even. **4-Streetcorner** is the *"Worst Mother-Fuckin' Bet of the Day."*

Win, place and show, is all you gotta know.
