4-Ag Bullet won this race the last 2 years and has only run 3 times since last year's win. She is by far the most accomplished of any of these fillies and mares, and if you threatened me with a *Bullet* I still could not bet against her here. She has amassed \$3 million in earnings in only 18 starts at age 6. If they continue to handle her with kid gloves, she will probably win this race next year as well. Ag is the OG fer sher! **4-Ag Bullet** is the *“Worst Mother-Fuckin’ Bet of the Day.”*

Win, place and show, is all you gotta know.
