2-Annelle has been running once a month since July when she began her 4-year old season; hasn't hit the fucking board. Principals going with the red hot bug boy Yomar Ortiz, Jr., and who could blame them. Faces a full field which should help our price. The inside post is welcome. You wanna get well, bet on **2-Annelle**, the ***"Worst Mother-Fuckin' Bet of the Day."***

Win, place and show, is all you gotta know.
